

## Students' artwork is on display at the Stinson Beach Library.

The Bolinas-Stinson Beach School students' artwork is currently on display until May 21st. This is an amazing opportunity for the local school to share the students' art with the community before the big art show at the end of the school year. Using a variety of media and techniques, students have created unique pieces from each of the art shops.

Please stop by and enjoy the students' work anytime during regular library hours.

There will be an open house on Friday May 11th  
after school until 6pm.
