Dear Stinson Beach Village Association Members,

Thank you, for contributing to West Marin Senior Services, you have made a difference! Your generous grant of \$750.00 allows us to help seniors live safely and with dignity in our community. This contribution will be used to support senior exercise classes in Stinson Beach.

West Marin Senior Services delivers resources and support with compassion and respect for the needs of our elders in West Marin. Seniors generally wish to stay in their homes, if they can live at home safely and with dignity. WMSS Care Managers assess a senior's needs and provide ongoing case management and advocacy. Care Managers help match and place caregivers from the WMSS background checked registry. WMSS staff and volunteers deliver nutritious meals, provide rides to appointments and services and loan needed equipment. The rural WMSS service area covers most of Marin's beautiful ranch and parklands. Isolation and a scarcity of affordable food and services are challenges that confront our rural elders daily.

Thank you for your support for West Marin Senior Services. With your help, our senior neighbors can live safely and with dignity in our community.

Sincerely yours,
